To customize: Delete awards you don't want students to use. Or add others!

CUSTOMIZE each slide.

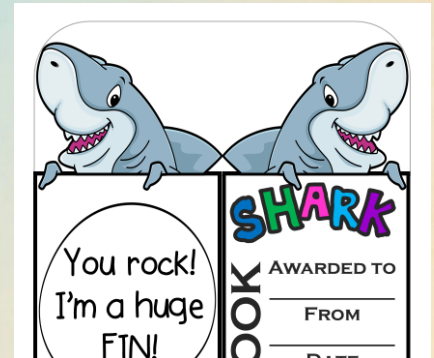

OPTIONS: Cutting the awards.

Click Insert, then Text Box to add names & date.

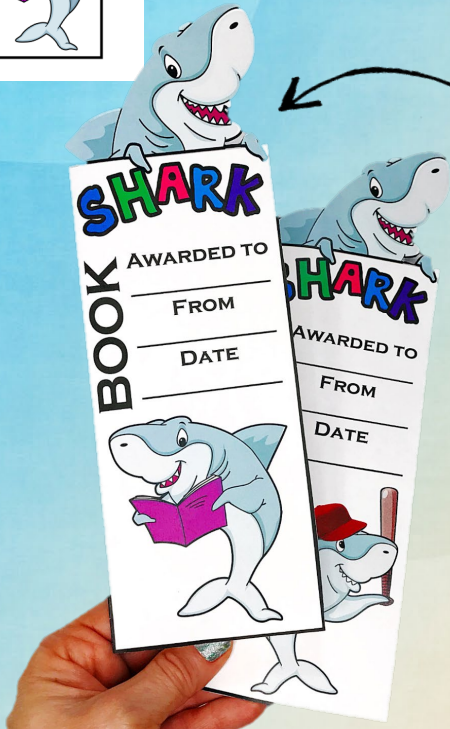

1

You can cut straight along the top line. EASY PEASY!

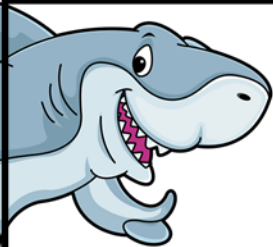

2

Or if you're ambitious, you can cut around the shark's outline. (I think I'm going to utilize "kid power" to do that by having the kids cut around their shark!)

Then fold in the center and VOILA!
